

CHRISTMAS FAIR

Saturday 28th November

WHAT'S HOT AT THE FAIR?!

We are very pleased to announce that the Fair will close with a **spectacular fireworks display!** Immediately after our headline ABBA tribute band completes their set at approximately 9pm, the display will commence. To ensure the best seats in the house for all the entertainment on stage and in the sky, bring your deck chairs and picnic blankets to set up early on the oval. Don't forget a few extra dollars too for dinner and drinks that will be available until late. Relax and invite your friends and family to join the MAPS community for the fabulous rides, activities & shopping during the day. Then after 5pm settle in to enjoy the wonderful live entertainment, delicious food & beverages topped off by a beautiful fireworks display!

SANTA CLAUS IS COMING!!

More exciting news - **Santa** will be visiting the Fair for a photo opportunity. The Vitale family, professional photographers and MAPS family, have kindly donated their time and resources to this stall. Santa will be "in the house" **between 1-3pm**.

MAPS families will have the chance to pre-book times for their family photos if they wish or turn up on the day and wait your turn.

Keep an eye out for these forms over the coming weeks.

The sideshow games are better than ever this year and will have the children pitching balls, smashing jaffas and throwing coins to earn their prizes. This years sideshows are all run by school classes rather than outside operators so **all profits** will go to the School - making parting with all those gold coins just a little easier!
