

2nd February 2017

Earn 1000* house points!

Parents' Club Calendar of Events - 2017

Dear Parents,

Welcome to another year at Mont Albert Primary School. An extra special welcome to new families joining us in 2017 - we hope your first year at MAPS is an enjoyable and rewarding one.

The role of the Parents' Club is to plan and facilitate social events and fundraising activities for the school. Many of the initiatives raise valuable funds that go towards enhancing the excellent facilities available for our children. The Parents' Club AGM will be held in the Staffroom on Thursday 16th February commencing at 7:30pm. **All parents** are welcome to attend, so please feel free to come along.

Outlined below are the activities planned for 2017. Included is a mix of community spirited activities as well as those that provide the greatest fundraising potential. We'd like to ask for **your** help to execute these events. Please review the list below and nominate where you are able to lend a hand, whether it be with coordinating, gift-wrapping, baking, or barbecuing sausages. Your participation helps make these events a great success.

Complete this form online with your offer of help by Thurs 16th Feb and your child receives 1000* House Points! Event Coordinators earn 2000* points for their valuable contribution. The form can be accessed via the MAPS website, under Parents Club -> Calendar of Events Online Form.**

No special skills or experience is necessary. A documented Event Guideline is available for all activities and job sharing the coordination with another parent is recommended. If a particular event is of interest to you and you'd like more information, please contact the coordinator listed or Kath Scully at kathryn.scully@gmail.com
