

# THE LEARNING PIT

**Facing a Challenge**  
You may feel anxious, nervous, scared, excited or uncomfortable.

If you leap over the pit you're probably not learning

**Successful Learning**  
You should feel achievement and pride.

This is what learning feels like

**Having a Go**  
You may be interested, hooked and use prior knowledge.

**Deep Learning**  
You may learn a sense of collaboration or concentration.

Good learners have a growth mindset

**Problem Solving**  
You may feel anger, distraction, frustration, challenge, confusion or uncomfortable.
